

Tenting as you've NEVER seen it before!

The advantages of **Clearspan**

- No ropes for guests to trip over
- Clearspans withstand 70 mile/h winds
- NO center poles - 100% available space
- 22 oz. vinyl - Sheds water and dirt
- 'Kedered' sidewall system - Seals the tent from wind and weather
- Meets all local code requirements
- Available with ADA and code approved doors
- Engineering data available upon request

Clearspans also available with:

- Clear Roof
- Floors
- Lighting
- Heat and Air Conditioning
